

Caring Hearts

The Oasis Boys Home

History

A home where boys 12-18 can be guided in all areas of life. They are taught various jobs related to construction, provided support to those who wish to continue to the university after completing the preparatory program and more!

Need

A room for the kids in the home to have space to do different activities such as reading, study, board games (chess) and a relaxation area. The purpose of this room is to create a habit in them in which can catalyze energy in things that they can favor them in the future.

NOTE:

- Every Tuesday all boys meet for a few hours to read and discuss the books they are reading.
- Claudia is a teacher that has been commissioned for the last months in doing activities like these every week.

Estimated Cost: Not Specified
